DEFENDANT'S MOTIONS**

L.

MOTION TO COMPEL DISCOVERY AND PRESERVE EVIDENCE

19 Ms. Casarez moves for the production by the government of the following discovery and for the
20 preservation of evidence. This request is not limited to those items about which the prosecutor knows, but
21 includes all discovery listed below that is in the custody, control, care, or knowledge of any government
22 agency. See generally Kyles v. Whitley, 514 U.S. 419 (1995); United States v. Bryan, 868 F.2d 1032
23 (9th Cir. 1989).

24 1. The Defendant's Statements. The government must disclose to Ms. Casarez *all* copies of
25 any written or recorded statements made by Ms. Casarez; the substance of any statements made by Ms.
26 Casarez that the government intends to offer in evidence at trial; any response by Ms. Casarez to
27 interrogation; the substance of any oral statements that the government intends to introduce at trial and any
28 written summaries

1 of Ms. Casarez's oral statements contained in the handwritten notes of the government agent; any response
2 to any Miranda warnings that may have been given to Ms. Casarez; and any other statements by Ms. Casarez.
3 FED. R. CRIM. P. 16(a)(1)(A) and (B). The Advisory Committee Notes and the 1991 amendments to Rule 16
4 make clear that the government must reveal *all* Ms. Casarez's statements, whether oral or written, regardless
5 of whether the government intends to make any use of those statements.

6 2. Arrest Reports, Notes and Dispatch Tapes. Ms. Casarez also specifically requests that all
7 arrest reports, notes and dispatch or any other tapes that relate to the circumstances surrounding her arrest or
8 any questioning, if such reports have not already been produced *in their entirety*, be turned over to him. This
9 request includes, but is not limited to, any rough notes, records, reports, transcripts or other documents in
10 which statements of Ms. Casarez or any other discoverable material is contained. Ms. Casarez includes in
11 this request any redacted portions of the Report of Investigation ("ROI") and any subsequent ROIs that the
12 case agent or any other agent has written. This is all discoverable under FED. R. CRIM. P. 16(a)(1)(A) and
13 (B) and Brady v. Maryland, 373 U.S. 83 (1963). See also Loux v. United States, 389 F.2d 911 (9th Cir.
14 1968). Arrest reports, investigator's notes, memos from arresting officers, dispatch tapes, sworn statements,
15 and prosecution reports pertaining to Ms. Casarez are available under FED. R. CRIM. P. 16(a)(1)(A) and (B),
16 FED. R. CRIM. P. 26.2 and 12(I). Preservation of rough notes is requested, whether or not the government
17 deems them discoverable.

18 3. Brady Material. Ms. Casarez requests all documents, statements, agents' reports, and
19 tangible evidence favorable to him on the issue of guilt and/or that affects the credibility of the government's
20 case. Impeachment and exculpatory evidence both fall within Brady's definition of evidence favorable to the
21 accused. United States v. Bagley, 473 U.S. 667 (1985); United States v. Agurs, 427 U.S. 97 (1976).

22 4. Any Information That May Result in a Lower Sentence. As discussed above, any
23 information that may result in a more favorable sentence must also be disclosed pursuant to Brady, 373 U.S.
24 83. The government must disclose any cooperation or attempted cooperation by Ms. Casarez, as well as any
25 information that could affect any base offense level or specific offense characteristic under Chapter Two of
26 the United States Sentencing Commission Guidelines Manual ("Guidelines"). Also included in this request
27 is any information relevant to a Chapter Three adjustment, a determination of Ms. Casarez's criminal history,
28 or any other application of the Guidelines.

1 5. The Defendant's Prior Record. Evidence of a prior record is available under FED. R. CRIM.

2 P. 16(a)(1)(D). Ms. Casarez specifically requests a complete copy of any criminal record.

3 6. Any Proposed 404(b) Evidence. Evidence of prior similar acts is discoverable under
 4 FED. R. CRIM. P. 16(a)(1)(D) and FED. R. EVID. 404(b) and 609. In addition, under FED. R. EVID. 404(b),
 5 "upon request of the accused, the prosecution . . . shall provide reasonable notice in advance of trial . . . of
 6 the general nature . . ." of any evidence the government proposes to introduce under FED. R. EVID. 404(b)
 7 at trial. Sufficient notice requires the government to "articulate *precisely* the evidential hypothesis by which
 8 a fact of consequence may be inferred from the other acts evidence." United States v. Mehrmanesh, 689 F.2d
 9 822, 830 (9th Cir. 1982) (emphasis added; internal citations omitted); see also United States v. Brooke, 4 F.3d
 10 1480, 1483 (9th Cir. 1993) (reaffirming Mehrmanesh and reversing convictions).

11 This includes any "TECS" records (records of prior border crossings) that the government intends
 12 to introduce at trial, whether in its case-in-chief, impeachment, or rebuttal. Although there is nothing
 13 intrinsically improper about prior border crossings, they are nonetheless subject to 404(b), as they are "other
 14 acts" evidence that the government must produce before trial. United States v. Vega, 188 F.3d 1150, 1154-55
 15 (9th Cir. 1999). Ms. Casarez requests that such notice be given *three weeks before trial* to give the defense
 16 time to adequately investigate and prepare for trial.

17 7. Evidence Seized. Evidence seized as a result of any search, either warrantless or with a
 18 warrant, is discoverable under FED. R. CRIM. P. 16(a)(1)(E).

19 8. Request for Preservation of Evidence. The defense specifically requests that all dispatch
 20 tapes or any other physical evidence that may be destroyed, lost, or otherwise put out of the possession,
 21 custody, or care of the government and that relate to the arrest or the events leading to the arrest in this case
 22 be preserved. This request includes, but is not limited to, any samples of narcotics used to run any scientific
 23 tests, all narcotics, the results of any fingerprint analysis, the vehicle involved in the case, Ms. Casarez's
 24 personal effects, and any evidence seized from Ms. Casarez or any third party. This request also includes any
 25 material or percipient witnesses who might be deported or otherwise likely to become unavailable (e.g.,
 26 undocumented aliens and transients).

27 //

28 //

1 It is requested that the prosecutor be ordered to *question* all the agencies and individuals involved
 2 in the prosecution and investigation of this case to determine if such evidence exists, and if it does exist, to
 3 inform those parties to preserve any such evidence.

4 9. Henthorn Material. Ms. Casarez requests that the Assistant United States Attorney
 5 (“AUSA”) assigned to this case oversee (not personally conduct) a review of all personnel files of each agent
 6 involved in the present case for impeachment material. See Kyles v. Whitley, 514 U.S. 419, 437-38 (1995)
 7 (holding that “the individual prosecutor has a duty to learn of any favorable evidence known to the others
 8 acting on the government’s behalf in the case, including the police”); United States v. Henthorn, 931 F.2d
 9 29 (9th Cir. 1991). This request includes, but is not limited to, any complaints filed (by a member of the
 10 public, by another agent, or any other person) against the agent, whether or not the investigating authority
 11 has taken any action, as well as any matter for which a disciplinary review was undertaken, whether or not
 12 any disciplinary action was ultimately recommended. Ms. Casarez further requests production of any such
 13 information at least *one week* prior to the motion hearing and two weeks prior to trial. If the prosecutor is
 14 uncertain whether certain information should be disclosed pursuant to this request, this information should
 15 be produced to the Court in advance of the motion hearing and the trial for an *in camera* inspection.

16 10. Tangible Objects. Ms. Casarez requests the opportunity to inspect, copy, and test, as
 17 necessary, all other documents and tangible objects, including photographs, books, papers, documents,
 18 alleged narcotics, fingerprint analyses, vehicles, or copies of portions thereof, that are material to the defense
 19 or intended for use in the government’s case-in-chief or were obtained from or belong to Ms. Casarez.
 20 FED. R. CRIM. P. 16(a)(1)(E). Specifically, Ms. Casarez requests **color copies** of all photographs in the
 21 government’s possession of the alleged narcotics and the vehicle in which the narcotics were found. If the
 22 prosecutor does not wish to make these copies, Ms. Casarez requests the opportunity to do so himself.

23 11. Expert Witnesses. Ms. Casarez requests the name, qualifications, and a written summary of
 24 the testimony of any person that the government intends to call as an expert witness during its case in chief.
 25 FED. R. CRIM. P. 16(a)(1)(G). This summary should include a description of the witness’ opinion(s), as well
 26 as the bases and the reasons for the opinion(s). See United States v. Duvall, 272 F.3d 825 (7th Cir. 2001)
 27 (finding that government’s written expert notice did not adequately summarize or describe police detective’s
 28 testimony in drug prosecution where notice provided only a list of the general subject matters to be covered

1 and failed to identify what opinion the expert would offer on those subjects). This request includes, but is
 2 not limited to, disclosure of the qualifications of any government witness who will testify that he understands
 3 and/or any other foreign language that may have been used during the course of an interview with
 4 Mr. Muldrow or any other witness.

5 Ms. Casarez requests the notice of expert testimony be provided at a minimum of *three weeks prior*
 6 to trial so that the defense can properly prepare to address and respond to this testimony, including obtaining
 7 its own expert and/or investigating the opinions, credentials of the government's expert and obtain a hearing
 8 in advance of trial to determine the admissibility of qualifications of any expert. See Kumho Tire Co. v.
 9 Carmichael, 526 U.S. 137, 119 S. Ct. 1167, 1176 (1999) (trial judge is "gatekeeper" and must determine,
 10 reliability and relevancy of expert testimony and such determinations may require "special briefing or other
 11 proceedings").

12 12. Impeachment Evidence. Ms. Casarez requests any evidence that any prospective government
 13 witness has engaged in any criminal act whether or not resulting in a conviction and whether any witness has
 14 made a statement favorable to Ms. Casarez. See FED. R. EVID. 608, 609 and 613. Such evidence is
 15 discoverable under Brady, 373 U.S. 83. See United States v. Strifler, 851 F.2d 1197 (9th Cir. 1988) (witness'
 16 prior record); Thomas v. United States, 343 F.2d 49 (9th Cir. 1965) (evidence that detracts from a witness'
 17 credibility).

18 13. Evidence of Criminal Investigation of Any Government Witness. Ms. Casarez requests any
 19 evidence that any prospective witness is under investigation by federal, state or local authorities for any
 20 criminal conduct. United States v. Chitty, 760 F.2d 425 (2d Cir. 1985).

21 14. Evidence of Bias or Motive to Lie. Ms. Casarez requests any evidence that any prospective
 22 government witness is biased or prejudiced against Ms. Casarez, or has a motive to falsify or distort his or
 23 his testimony. Pennsylvania v. Ritchie, 480 U.S. 39 (1987); Strifler, 851 F.2d 1197.

24 15. Evidence Affecting Perception, Recollection, Ability to Communicate, or Veracity. Ms.
 25 Casarez requests any evidence, including any medical or psychiatric report or evaluation, tending to show
 26 that any prospective witness' ability to perceive, remember, communicate, or tell the truth is impaired; and
 27 any evidence that a witness has ever used narcotics or other controlled substance, or has ever been an
 28 alcoholic. Strifler, 851 F.2d 1197; Chavis v. North Carolina, 637 F.2d 213, 224 (4th Cir. 1980).

1 16. Witness Addresses. Ms. Casarez requests the name and last known address of each
 2 prospective government witness. See United States v. Napue, 834 F.2d 1311 (7th Cir. 1987); United States
 3 v. Tucker, 716 F.2d 576 (9th Cir. 1983) (failure to interview government witnesses by counsel is ineffective);
 4 United States v. Cook, 608 F.2d 1175, 1181 (9th Cir. 1979) (defense has equal right to talk to witnesses).
 5 Mr. Casarez also requests the name and last known address of every witness to the crime or crimes charged
 6 (or any of the overt acts committed in furtherance thereof) who will *not* be called as a government witness.
 7 United States v. Cadet, 727 F.2d 1453 (9th Cir. 1984).

8 17. Name of Witnesses Favorable to the Defendant. Ms. Casarez requests the name of any
 9 witness who made any arguably favorable statement concerning Ms. Casarez or who could not identify him
 10 or who was unsure of his identity or participation in the crime charged. Jackson v. Wainwright, 390 F.2d 288
 11 (5th Cir. 1968); Chavis, 637 F.2d at 223; Jones v. Jago, 575 F.2d 1164, 1168 (6th Cir. 1978); Hudson v.
 12 Blackburn, 601 F.2d 785 (5th Cir. 1979), cert. denied, 444 U.S. 1086 (1980).

13 18. Statements Relevant to the Defense. Ms. Casarez requests disclosure of any statement that
 14 may be “relevant to any possible defense or contention” that he might assert. United States v. Bailleaux,
 15 685 F.2d 1105 (9th Cir. 1982). This includes grand jury transcripts that are relevant to the defense motion
 16 to dismiss the indictment.

17 19. Jencks Act Material. Ms. Casarez requests production in advance of the motion hearing or
 18 trial of all material, including dispatch tapes, that the government must produce pursuant to the Jencks Act,
 19 18 U.S.C. § 3500 and FED. R. CRIM. P. 26.2. A verbal acknowledgment that “rough” notes constitute an
 20 accurate account of the witness’ interview is sufficient for the report or notes to qualify as a statement under
 21 section 3500(e)(1). Campbell v. United States, 373 U.S. 487, 490-92 (1963); see also United States v.
 22 Boshell, 952 F.2d 1101 (9th Cir. 1991) (holding that interview notes constitutes Jencks material when an
 23 agent reviews notes with the subject of the interview); see also United States v. Riley, 189 F.3d 802, 806-08
 24 (9th Cir. 1999). Advance production will avoid the possibility of delay of the motion hearing or trial to allow
 25 Ms. Casarez to investigate the Jencks material. Ms. Casarez requests pre-trial disclosure of such statements
 26 to avoid unnecessary recesses and delays and to allow defense counsel to prepare for, and use properly any
 27 Jencks statements during cross-examination.

28 //

1 20. Giglio Information. Pursuant to Giglio v. United States, 405 U.S. 150 (1972), Mr. Muldrow
 2 requests all statements and/or promises, expressed or implied, made to any government witnesses, in
 3 exchange for their testimony in this case, and all other information that could arguably be used for the
 4 impeachment of any government witnesses.

5 21. Agreements Between the Government and Witnesses. Ms. Casarez requests discovery
 6 regarding any express or implicit promise, understanding, offer of immunity, of past, present, or future
 7 compensation, or any other kind of agreement or understanding, including any implicit understanding relating
 8 to criminal or civil income tax, forfeiture or fine liability, between any prospective government witness and
 9 the government (federal, state and/or local). This request also includes any discussion with a potential
 10 witness about or advice concerning any immigration benefits, any contemplated prosecution, or any possible
 11 plea bargain, even if no bargain was made or the advice not followed.

12 22. Informants and Cooperating Witnesses. Ms. Casarez requests disclosure of the names and
 13 addresses of all informants or cooperating witnesses used or to be used in this case, and in particular,
 14 disclosure of any informant who was a percipient witness in this case or otherwise participated in the crime
 15 charged against Ms. Casarez. The government must disclose the informant's identity and location, as well
 16 as disclose the existence of any other percipient witness unknown or unknowable to the defense. Roviaro v.
 17 United States, 353 U.S. 53, 61-62 (1957). The government must disclose any information derived from
 18 informants that exculpates or tends to exculpate Ms. Casarez.

19 23. Bias by Informants or Cooperating Witnesses. Ms. Casarez requests disclosure of any
 20 information indicating bias on the part of any informant or cooperating witness. Giglio v. United States, 405
 21 U.S. 150 (1972). Such information would include what, if any, inducements, favors, payments or threats were
 22 made to the witness to secure cooperation with the authorities.

23 24. Personnel Records of Government Officers Involved in the Arrest. Ms. Casarez requests all
 24 citizen complaints and other related internal affairs documents involving any of the immigration officers or
 25 other law enforcement officers who were involved in the investigation, arrest and interrogation of Ms.
 26 Casarez. See Pitchess v. Superior Court, 11 Cal. 3d 531, 539 (1974). Because of the sensitive nature of these
 27 documents, defense counsel will be unable to procure them from any other source.

28 //

1 25. Training of Relevant Law Enforcement Officers. Ms. Casarez requests copies of all written,
 2 videotaped or otherwise recorded policies or training instructions or manuals issued by all law enforcement
 3 agencies involved in the case (United States Customs Service, Border Patrol, INS, Department of
 4 Homeland Security, etc.) to their employees regarding: (a) the handling of vehicles suspected to be
 5 transporting contraband across the port of entry; (b) the referral to secondary inspection of persons within
 6 those vehicles; (c) the detention of individuals within those vehicles; (d) the search of those vehicles and the
 7 occupants of those vehicles, including the proper means of obtaining consent to search and what constitutes
 8 consent to search; (e) the informing of suspects of their Constitutional rights; (f) the questioning of suspects
 9 and witnesses. Ms. Casarez also requests all written or otherwise attainable information regarding the
 10 training of Customs agents at ports of entry in California to detect or discover narcotics in vehicles entering
 11 the United States, including any training offered to Border Patrol, INS, or officers of Homeland Security
 12 Department, by the DEA or other law enforcement agencies or individuals.

13 26. Performance Goals and Policy Awards. Ms. Casarez requests disclosure of information
 14 regarding standards used for measuring, compensating or reprimanding the conduct of all law enforcement
 15 officers involved in the case (Customs, Border Patrol, INS, etc.) to the extent such information relates to the
 16 detection of contraband. This request specifically includes information concerning performance goals, policy
 17 awards, and the standards used by Customs for commanding, demoting, or promoting agents for their
 18 performance at the port of entry and their success or failure to detect illegal narcotics in general.

19 27. Opportunity to Weigh, View and Photograph the Contraband. Ms. Casarez hereby requests
 20 an opportunity to view, photograph, and weigh the contraband allegedly confiscated in this case.

21 28. DEA 7 Form. Ms. Casarez requests a copy of the DEA-7 form that should indicate the
 22 alleged weight and purity of the contraband in this case.

23 29. TECS Reports. Ms. Casarez requests all TECS reports, including reports pertaining to all
 24 vehicle border crossings pertaining to the vehicle used in this case and any vehicles pertaining to Ms. Casarez.
 25 **Any prior border crossings are considered “other acts” evidence that the government must produce**
 26 **before trial.** Vega, 188 F.3d at 1154. Ms. Casarez also requests all TECS reports related to his personal
 27 border crossings (in this car, on foot, or in another car).

28 //

30. Reports of Scientific Tests or Examinations. Pursuant to FED. R. CRIM. P. 16(a)(1)(F),
arez requests all information regarding all tests and examinations conducted upon the evidence in this
cluding, but not limited to, any fingerprint testing done upon any evidence seized in this case, that is
the possession, custody, or control of the government, the existence of which is known, or by the
e of due diligence may become known, to the attorney for the government, and that are material to the
tion of the defense or are intended for use by the government as evidence in chief at the trial.

31. Narcotics Detector Dog Information. Ms. Casarez moves for production of all discoverable information about any Narcotics Detector Dogs (NDDs) used in this case, including information regarding: (a) the qualifications of the NDDs and their handlers, (b) the training and experience of the NDDs and their handlers, (c) the government's procedures regarding the treatment, training and rewarding of the NDDs, (d) a detailed description of the exact method the NDDs in this case used to indicate an "alert" to contraband, (e) the location of the NDD and the vehicle when the NDD alerted, and (f) the NDD's reliability.

32. Residual Request. Ms. Casarez intends by this discovery motion to invoke his rights to
try to the fullest extent possible under the Federal Rules of Criminal Procedure and the Constitution
of the United States. This request specifically includes all subsections of Rule 16.

Ms. Casarez requests that the government provide him and his attorney with the above requested information at least three weeks before trial.

II.

MOTION FOR LEAVE TO FILE FURTHER MOTIONS

Defense counsel for Ms. Casarez has received only 37 pages of discovery and one DVD. She
that discovery is not yet complete. Furthermore, defense counsel has not yet had an opportunity to
e and re-weigh the drugs at issue in this case or to view the vehicle seized and Ms. Casarez's personal
Ms. Casarez respectfully requests leave to file further motions based on information obtained through
covery process or as the need arises.
